

Wij zijn KAS – Youth assistance

ABOUT US

We are KAS is a group of youth care providers with their own independent practices, their own specialisms and ways of working, but with the same mindset from which we work. KAS stands for Small Provider Collaboration. We offer psychosocial care to children, young people and their parents. The requests for help we deal with are diverse and appropriate within specialist youth care. We want to connect well with child and family and look at what is needed in each individual situation. As small independent professionals, we can work very personally with those seeking help. Lines of communication are short and contact is fast.

Our working area is the Hart van Brabant, in the municipalities of Alphen-Chaam, Baarle-Nassau, Berkel-Enschot, Biezenmortel, Dongen, Gilze en Rijen, Goirle, Heusden, Hilvarenbeek, Loon op Zand, Oisterwijk, Tilburg, Udenhout and Waalwijk.
